

2017 Annual Information Security Scholarships

The ISSA Education Foundation (ISSAEF) supports the education of the next generation of cybersecurity professionals with scholarships for undergraduate and graduate studies.

The ISSAEF will award three scholarships during 2017:

1. ISSAEF E. Eugene Schultz, Jr., PhD, CISSP, Memorial Scholarship at **\$3,500**
2. ISSAEF Howard A. Schmidt Scholarship at **\$3,500**
3. ISSAEF Shon Harris Memorial Scholarship at **\$2,000**

Please go to the ISSAEF website listed below for more information. Opening date for the 2017 application acceptance is June 17, 2017.

Eligibility:

To be eligible for an ISSAEF scholarship, a student must be an active, full-time undergraduate or graduate student enrolled in a degree program which includes information security or privacy.

For additional information please visit the ISSAEF website at:
www.issaef.org/student_scholarships.

For any questions please email to: Javier Torner, Scholarship Committee Chair, at jtorner@issa-foundation.org

We are a not-for-profit foundation dedicated to assisting and promoting education and research in the Information Security field.
